Summary Description and rationale of project and funding sources:							
<p>Prosecution services (PS) in the City Attorney's Office are run and managed by Justware, a case management database utilized since May 2005. Prosecution services is fully electronic (paperless) and all case files both active and disposed are maintained within the database. In February 2020 JTI (Justware vendor) advised they were sunsetting the database as of June 2021. A replacement database is essential.</p>							
History & Current Status: Impact if Cancelled or Delayed							
<p>The search for a database sufficient to handle complex workflow and a paperless environment is ongoing.</p>
