Summary Description and rationale of project and funding sources:

Extent of Phase II is from 13th to Sussex. Complete curb/gutter/sidewalk, storm drainage, and street maintenance for improved safety and access for pedestrians, motorists, and transit users. This entire project scored 2nd for sidewalk projects in the City's Surface CIP prioritization table. Funding sources include property owner assessments, Road District, and BaRSAA.

History & Current Status: Impact if Cancelled or Delayed

Addresses poor pavement condition and missing right-of-way infrastructure in neighborhood experiencing development pressure. If cancelled and/or delayed, then improvements made on Eaton Phase I will not connect to additional infrastructure needed to complete the corridor.
